

# Get Connected to the Middle School

The **Nazareth Area Middle School** website (<http://www.ms.nazarethasd.org/>) has plenty of information for parents, students and the community about the Nazareth Area Middle School. Faculty listings, announcements, handbook and links to many on-line resources are all included on the site plus links to other resources!

The **Nazareth School District** website (<http://www.nazarethasd.org>) has information about the entire school district. School board meetings and district-wide events are included in the calendar on this site. Also included is central administration information, curriculum information, employment opportunities and more.

Schoolology  
Parent Login

Schoolology  
Student Login

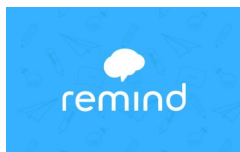

Schoolology is an online learning, classroom management, and social networking platform that improves learning through better communication, collaboration, and increased access to curriculum and supplemental content. Nazareth School District uses Schoolology in grades K-12 and also with our cyber school.

Parents receive a join code from the school for each child they have in the district. Parents will create an account at <https://www.schoolology.com>, this is a different website from your child's Schoolology. Once the account is created by the parent they use the join code for each child to connect them to their child's classes. If you already created an account in Schoolology, you do nothing. As your child moves through the district, you move with them since you are connected to their account.

Please note the different log-in buttons that are on our website. Parent log in is located on the School and Parent Information page. Student log in is located on the Students page.

PowerSchool is a web-based student information system that provides full range of features needed by administrators at the district and school level to manage student information, a portal for teachers to enter classroom-specific data, and portals to foster communication between the school and parents and students. It is through the parent portal that you can access your students grades, attendance, etc. at any time. Parents receive a letter with the PowerSchool log-in for them and their child. There is a link on the home page of the high school website to take parents and students to access PowerSchool (<https://powerschool.nazarethasd.org/public/>).

Remind is a free, safe, easy-to-use communication tool that helps Mr. Robert Bauder, NAMS Principal, to connect instantly with students and parents with up to date information either through their cell phone, Email or both. In your packet is an information worksheet on how to enroll. You need to sign-up for Mr. Bauder's account **AND** the assigned team account!!!

**Note: If your email information changes during the course of the school year; PLEASE contact the main office with your changes! (610) 759-3350**
